

20/20 VISION

45TH NJ Al-Anon/Alateen Virtual Convention with AA Participation

This past week, the 2020 Jal-Con Committee made some exciting decisions. Listen up: we are in the process of entering a new territory, one that you may be just as “**tickled pink**” as we are! Jal-Con is in the process of launching its own website which will publish convention news in the future. The website is “UNDER CONSTRUCTION” and we’ll let NJ Assembly know when we are ready to launch. We are pleased to announce that all positions on the committee have been filled, and we’re in the final planning stages of what will be a turnkey ZOOM event. The Program is in its planning stages and hope to have it launched within the next two weeks. Jal-Con will be held on Saturday, October 17, 2020 at 1:00pm.

*Service has done more for my self-esteem than anything else in my life,
and it has given me many Al-Anon friends all over the state.*

I ask myself: Am I ready for new growth?
