## 45<sup>TH</sup> NJ Al-Anon/Alateen Virtual Convention with AA Participation

Oh my goodness, we are moving right along. The website is still “UNDER CONSTRUCTION” and soon will be available; so continue to look for us via internet. We’re in the final planning stages of the Preregistration form and will have it launched on the Jal-Con website within the next week.

We are pleased to announce that all positions on the committee were occupied, and it appears that if you wish to be on the 2021 committee, please let us know as soon as possible and we’ll add you to the list. Jal-Con will be held on Saturday, October 17, 2020 from 1:00pm to 5:00pm.

*I ask myself: How can I “carry the message” today?*
